Comments:

The 2018 Chevrolet Express Cargo Van is all about function first. With a proven full-frame design, a powerful engine, plenty of cargo room and available technology, a strong foundation for your business starts here. Available Vortec 6.0l v8 engine, max available towing 10,000 lbs. and available max payload 4,311 lbs. allow you to get any job done easily. The Express Cargo Van allows you to personalize the exterior and interior to accommodate your business needs with features including available ladder racks, available 5-passenger seating, standard rear swing-out doors and a sliding rear cargo door, up to 313.9 cu. ft. of cargo space and standard cargo tie-downs. A 120V power outlet and two auxiliary outlets give you the power to run your business from the road, while a 7-inch diagonal color touch-screen allows you to see easy-to-understand navigation and connect with Bluetooth to make phone calls using voice commands. The available USB port also allows you to plug in your devices, so you can charge them while driving to your job site. The Express Cargo Van has features to help you keep driving safe, including electronic stability control, a standard rear-vision camera, rear park assist, blind zone alert, standard front, head-curtain and side airbags and available OnStar capabilities.
