Comments:

Midnight Black 2019 Toyota Highlander Limited Platinum AWD 8-Speed Automatic Electronic with ECT-i 3.5L V6 20/26 City/Highway MPG Explore every possibility with the 2019 Toyota Highlander. This SUV features an inspired front fascia with a dynamic front grille and expressive headlights, which now feature daytime running lights, amplifying its signature look. And don't forget about the brilliant LED taillights for added visibility in the rear. The Highlander also shows off its athletic side with a selection of available alloy wheels. The roomy interior gives you enough space to seat up to 8 people and provides more comfort along the way with reclining third-row seats. Available second-row captain's chairs help the Highlander comfortable seat 7 and offer the same great versatility. The 60/40 split third-row seat also has the ability to fold flat to accommodate your cargo needs. Your passengers can have the whole sky to entertain them, thanks to the available panoramic moonroof. If they need a little more, there's the available rear-seat Blu-ray entertainment system. This 9-inch display screen comes with RCA jacks, remote and 2 pairs of wireless headphones. Highlander comes standard with the 2.7liter 4-cylinder automatic engine, but you can opt for the available 3.5liter V6 direct-injection engine on SE and Limited trims. Combined with an 8-speed automatic transmission you get more control on the road. The available stop and start engine system shuts the engine off when the car is at rest (at a stoplight) to help you save more fuel. And when the road gets adventurous, this SUV embraces it with available dynamic torque-control all-wheel drive. Let's not forget hauling power – the Highlander can be equipped to tow up to 5,000 lbs. The Highlander offers a range of convenient features for staying connected on the road, including 5 USB ports, driver easy speak to communicate with rear passengers and Entune app access. You'll also find a comprehensive suite of safety features such as blind spot monitor with rear cross-traffic alert and bird's eye view camera. Pricing does not include tax, title, license or \$584.50 dealer fees. 190940
