### Comments:

Recent Arrival! Shadow Gray 2020 Chevrolet Spark 1LT The Spark should be your First Car. It is versatile, great gas mileage, and easy to drive. Being New you get a warranty and the peace of mind knowing you put the miles on the car and how it was treated. Spark is Highest Ranked City Car in Initial Quality now 2 years running. . All the safety features of a full size car--10 Air Bags, Stabilitrak, Brake Assist, Hill Start assist, rear Camera, and Onstar- it isn't just for accidents anymore. It also has the 5 star crash rating. The Spark is a good value proposition if you're a technology lover. For its base price of \$13,000, you not only get a rearview camera and a standard 7-inch touch screen with OnStar navigation, but Apple CarPlay, too. Neither the Ford Fiesta nor the Kia Rio can come close to matching what the Spark offers. A Rio with a 7-inch touch screen and navigation will set you back \$20,905. The Fiesta with Ford SYNC 3 and a rearview camera costs \$18,905 and requires you to integrate your smartphone for navigation. Only one subcompact costs less than the Spark: the Nissan Versa, at \$11,990. However, it has lower fuel economy than the Spark and lacks standard features like a rearview camera and power outlets in its base trim. Subcompacts like the Spark are designed to be cheap transportation, but Chevy spares no expense on the Spark's interior comforts and technology. Thanks to its lower price and much better infotainment system, the Spark is the better choice than the Fiesta. 30/38 City/Highway MPG Areas largest Volume Car Dealership Local family owned and operated since 1958 Large selection of new Chevrolets Great selection GM Certified pre-owned vehicles Sales backed by award winning service department Over 200 years of combined technician experience Friendly easy to shop online dealer, 24/7 Financing available to qualified buyers, even those with not so perfect credit If you don't see it on our lot, we can get it for you Our Dealership has a fully staffed Service department, Body Shop and Parts/Accessories Department to help serve you better Ask our customers why they buy from us!
