Engine: **Regular Unleaded I-4 2.5 L/152**

Interior Color: **Charcoal**

Transmission: **1-Speed CVT w/OD**

Comments:

The 2019 Nissan Altima is impossibly smart. Deep, cutting lines flow from front to back, blending seamlessly into the new muscular hood and an aggressively low and wide stance is accentuated by a large V-Motion grille. From a roof that appears to float to black-out wheels with a unique knife-like effect, every detail of the Altima is highly designed. The All-New Altima provides a refined experience with a premium interior. Stylish matte chrome greets your fingertips throughout the cabin from the steering wheel to the shifter, even on the center controls. Surround yourself in comfort with newly redesigned front seats and take in a quieter cabin, thanks to Active Noise Cancellation. And when you need to bring more along, you can flex your space with the 60/40 split rear seats with an impressive 15.4 cu. ft. of space. Whether it's turbocharged power or fuel-sipping economy, the Altima's all-new available VC-Turbo engine responds to your input instantaneously. It offers two different engines, including an all-new 4-cylinder Direct Injection Gasoline engine that packs some serious fuel economy. Paired with the 2.5L engine, the available Intelligent All-Wheel Drive system continuously monitors road conditions and responds to changes faster than the blink of an eye. The Altima offers a range of features including smartphone integration, navigation, SiriusXM Radio, 7in advance drive assist display, remote engine start and intelligent climate control. You'll also find a suite of safety features such as automatic emergency braking, rear cross traffic alert, blind spot warning, lane departure warning, ProPilot assist and intelligent lane intervention.
