Comments:

The 2019 Nissan Rogue is ready when you are. Sharp edges cut from the hood and headlights into sweeping, sinuous lines that flow backwards over aerodynamic wraparound LED taillights. The Rogue leads the way with an assertive V-Motion grille, while power heated outside mirrors give you a better view despite mist or ice. With an available Power Panoramic Moonroof that opens up to the front and rear seats, everyone onboard can enjoy breathtaking vistas. Surround yourself in a thoughtful interior, featuring D-shaped steering wheel and 7in color display center console. Impressive front head room, available leather-appointed seats with quilted inserts, and thoughtful 2nd-row vents help keep everyone cozy. The Rogue comes equipped with a 2.5L engine that features the Continuously Variable Valve Timing Control System, delivering 170hp for performance you can feel on the road. The advanced Xtronic CVT transmission can hold the engine at the ideal speed providing a wave of power when you need it or low revs for quiet, efficient cruisin. Inspired by astronauts, zero gravity front seats can help reduce fatigue, plus dual zone temperature control keeps everyone comfortable. Inside, the Divide-N-Hide cargo system helps find a place for just about anything. The Rogue offers a range of convenient features including premium sound system, navigation, Apple CarPlay and Android Auto compatibility, hands-free text messaging, 2 USB ports, Bluetooth integration, remote access and more.
