Comments:

Exhilarate your drive with the 2019 Nissan 370Z Coupe. The 370Z Coupe's long, low hood and swept-back rear hatch provide a profile that's simply unmistakable. The cockpit of the 370Z Coupe incorporates a 3-layer design philosophy to help connect you to your drive. Supportive bolstered sport seats help hold you in place. With a powerful 3.7-liter, VQ V6 under the hood, punch the throttle, and get ready for a thrill. This 4th-generation VQ V6 gives 3.7 liters of massive muscle, pumping out 332hp, 270 lb.-ft. of torque and pure exhilaration to its 7,500-rpm redline. You also have the choice of the most powerful Nissan Z engine ever: a screaming 3.7-liter, 350hp beast with 276 lb.-ft. of torque and a 7,500-rpm redline. The 370Z Coupe's 6-speed manual transmission enjoys an EXEDY clutch, for reduced pedal effort and enhanced precision and control. A world's first in any production car, SynchroRev Match monitors the 6-speed manual's clutch, shift lever, and vehicle speed. In Manual mode, you've got manual-style control with a nudge of the shift lever or a pull of the lightweight magnesium paddle shifters. It also offers a 7-speed automatic, which gives you a wide spread of gearing and improved fuel efficiency. A wide-opening hatch gives easy access and a hidden parcel box, and an available retractable cargo cover helps protect valuables. The 370Z Coupe offers a range of features including SiriusXM Radio, Bluetooth integration, navigation, voice activation, touchscreen monitor, push button ignition, intelligent key and premium sound system. You'll also find a suite of safety features such as rearview monitor, anti-lock braking system, vehicle dynamic control and active head restraints.
